

## **CHANGE OF DISTRIBUTION CHANNEL IN SWEDEN**

### **To whom it may concern:**

We would like to inform you that Hygiena International Ltd. has changed distribution channel in Sweden.

As of 1 September 2015, the sales and marketing activities of the full Hygiena product range has been transferred from Food Diagnostics AB to Scandinavian Diagnostics AB.

Should you have any questions relating to this change, please feel free to contact me.

Yours sincerely,

Frans Martens
